Re: 2020 Caledon Agricultural Society Spring Fair

To our valued community, supporters and friends,

Out of an abundance of caution, we, the members of the Caledon Agricultural Society have made the very difficult decision to cancel the 160th Caledon Agricultural Spring Fair.

This decision was not an easy one however, the rapidly changing threat of the COVID-19 virus is becoming increasingly more concerning and we feel it is our responsibility to do everything possible to avoid any risk to you, the community and the many fairgoers who would be visiting our beloved town of Caledon

We are working together to make our 2021 fair the biggest and best yet.

Thank you for your continued support and we wish you all good health and strength during the difficult days ahead. Stay safe and healthy.

Sincerest regards,

Ed Tacone
